Summer Season

We would welcome event suggestions for the Summer celebration. Date to be confirmed in our next Issue of the Newsletter.

We are very proud to receive a great feedback from Doorstep Entertainments:

"Yesterday we visited our friends at White Lodge and what a fun afternoon! We performed Variety Showtime and everybody really enjoyed themselves. It's normally ladies only but we had a gentleman amongst the audience who was telling me how he and his wife used to entertain and how we brought back some happy memories to them. We also had our resident Beverly Sisters in the corner - they should have been up there doing their own show I think! Lovely afternoon and most of all lovely people. They really know how to enjoy themselves". 22/11/17
